# RECLAIMERS

**LR-516**

## **RECLAIMERS ▶ LR-512 | LR-516 | LR-620**

The Lippmann High Energy Reclaimer is one of the most robust, durable and powerful heavy-duty mobile screeners at work around the world today. Designed to provide uncompromising production levels to heavy duty scalping operations, the screeners are capable of operating

as a stand-alone plants producing finished product, or as a primary scalping component to the very largest of portable crushing spreads. The powerful LR screeners deliver higher outputs and a high-quality screened product with maximum efficiency.
