Lippmann Enhances Online Dealer Locator

Resource makes it easier to connect locally with Lippmann.

(May 17, 2023, Milwaukee, Wis.) – Lippmann has enhanced its online dealer locator, providing a more intuitive tool for locating the company's closest representative.

The new dealer locator covers all Lippmann dealer locations across the globe, from Australia to Europe to North America, and everywhere in between. The dealer locator is available on both the Lippmann North American website www.Lippmann-Milwaukee.com and the Lippmann Rest of World (ROW) website www.LippmannGlobal.com.

By selecting the region site visitors operate in, they can drill down and pinpoint their specific dealer. All of the dealer's contact information, including their territory and Lippmann equipment lines they carry are noted within the locator.

Additionally, there is a form that site visitors can complete which will prompt the dealer to reach out to them and answer any questions they may have regarding the Lippmann product offering.

Celebrating its 100th anniversary this year, Lippmann is proud to have a vast experienced and knowledgeable sales representative team throughout the dealer network. The Lippmann team can walk through any crushing system need and work on a solution for specific sites.

LIPPMANN

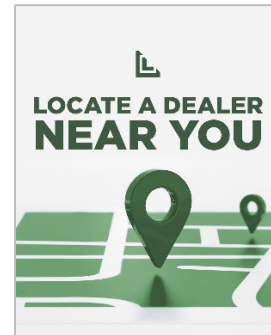

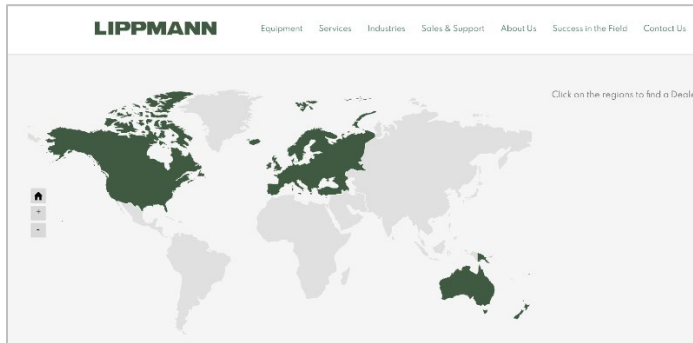

Continued from previous.

Visit the Lippmann websites to try the dealer locator and learn more about the company's product offerings and capabilities.

###

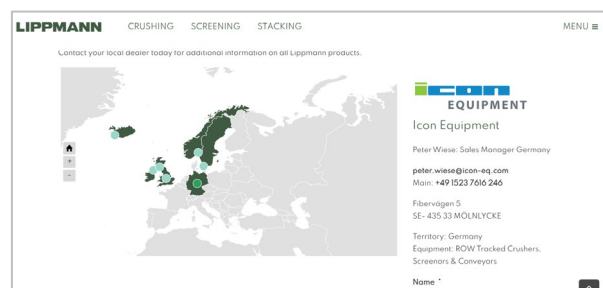

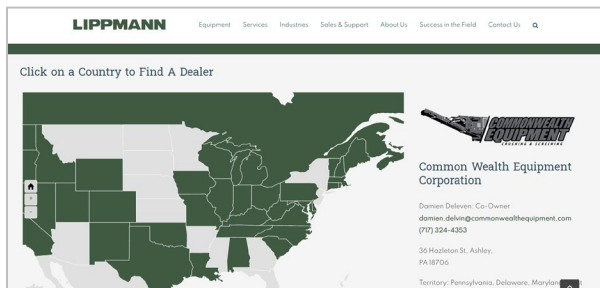

Celebrating our 100th Anniversary in 2023, Lippmann has continuously designed and manufactured quality aggregate processing equipment. The company began as Lippmann Engineering Works, and the design of heavy-duty Jaw Crushers became the cornerstone of the Lippmann product line. Today, Lippmann continues to build the heaviest and most reliable Jaw Crushers on the market, along with its expanded line of proven aggregate processing equipment designed to increase productivity and reduce costs. Our products include a complete line of Primary Jaw Crushers, innovative Primary and Secondary Impact Crushers and Cone Crushers, Vibrating Grizzly Feeders, complete two-stage Jaw / Impactor Crushing Systems, and an extended line of ancillary products. www.Lippmann-Milwaukee.com
